

National Sweet Sixteen Sailing Association

January 26, 2009

Notice to all Sweet 16 Association members.

The annual meeting will be held at the Lake Quivira Clubhouse on March 14th, 2009 at 09:00. Please Google (or your favorite search engine) Lake Quivira, KS or e-mail me if you need directions. Stop at the guard shack and inform them you are here for the S16 meeting and they will direct you to the clubhouse.

We need your input to set next year's agenda.

The Association will need a number of new officers on the executive committee. We will need people to help coordinate the National races for '09. Participation is the key to a healthy and growing organization.

Last year's annual meeting turnout was a little sparse. To keep the Association vital we need members to sacrifice one Saturday morning and attend the meeting.

I'm looking forward to seeing all at the meeting.

Joe Biron
Commodore
